

rigid heddle

weaving looms | product codes RH400, RH600, RH800, RH1200

This affordable and portable rigid heddle loom is quick and easy to use.

Everything is included in the kit. Quick and easy to assemble and warp. The rigid heddle is a great introduction to hand weaving but is also very versatile. Create beautiful and unique garments and home ware. With colour and texture weave unique fabrics or with pick-up sticks create beautiful designs. The loom can also make woven tapestries and wall hangings. Made from Silver Beech hardwood the loom is very strong and robust. The option of a second heddle kit for multishaft weaving gives extra versatility to this loom. Three great weaving widths 40, 60, 80 and 120cm (16, 24, 32 and 48ins).

The Ashford Book of Rigid Heddle Weaving - by Rowena Hart

The 2008 revised edition of the Ashford Book of Rigid Heddle Weaving. In this new edition we include new techniques like brooks bouquet, huck weaving, bronson lace and weaving with the second heddle kit. 100 pages. International weaving teacher, Rowena Hart, shows you how you can create exciting, beautiful garments and crafts - all on this simple loom. In the book she guides you step-by-step through the many techniques, showing just how easy it is to make your woven creations come alive through colour and texture. Known as the Rigid Heddle, this loom is simple to use, light and compact. It will produce fabrics and tapestries to delight you - whether you are a novice or experienced weaver. Original edition available in German.
