NOTE

Remove drive belt when not in use.

Dear Spinner
Use Ashford Spinning
Wheel Oil to lubricate the
bearings of your new
spinning wheel, especially
the end of the whorl.

High Speed Adapter Kit

With this kit the Kiwi can spin finer, high twist yarns. Kit contains a high speed whorl and polycord driver belt.

Ratios - 11 and 14 : 1

Jumbo Flyer Kit

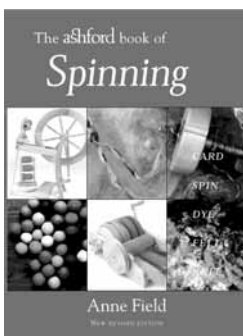

With this kit the Kiwi can also spin soft, bulky or novelty yarns for knitting and weaving. Kit contains a jumbo flyer and whorl, three jumbo bobbins, and a jumbo bearing. Bobbin capacity 225gms (8oz).

Ratios - 4 and 5 : 1

Kiwi Skein Holder

Fast & easy skeining. This ingenious skeiner allows you to wind your beautiful hand made yarn straight from the bobbin into a skein. Skeiner length 1.5m (60")
